We Had an Affair . . .

. . . with Dunkerton.

To stop, to look, to listen and learn. To be alone, yet together. To fit. Not only into the easy tireless routine of endless weeks, but into the hasty bussing noise of an active high school. Time and people work as one to make things fit, to give them meaning. Crowds gather, yet individuals leave. Going and coming all are separately alike. All live and love, and cruelly hate. A single shadow follows all, yet melts and becomes a single individual in the light. Darkness hides the differences found. We came and we fit. Now it is over and we are gone. This could have happened but once. To miss a small part of anything is to lose a chance. How much passed by unnoticed?

ACTIVITIES

Our Homecoming . .

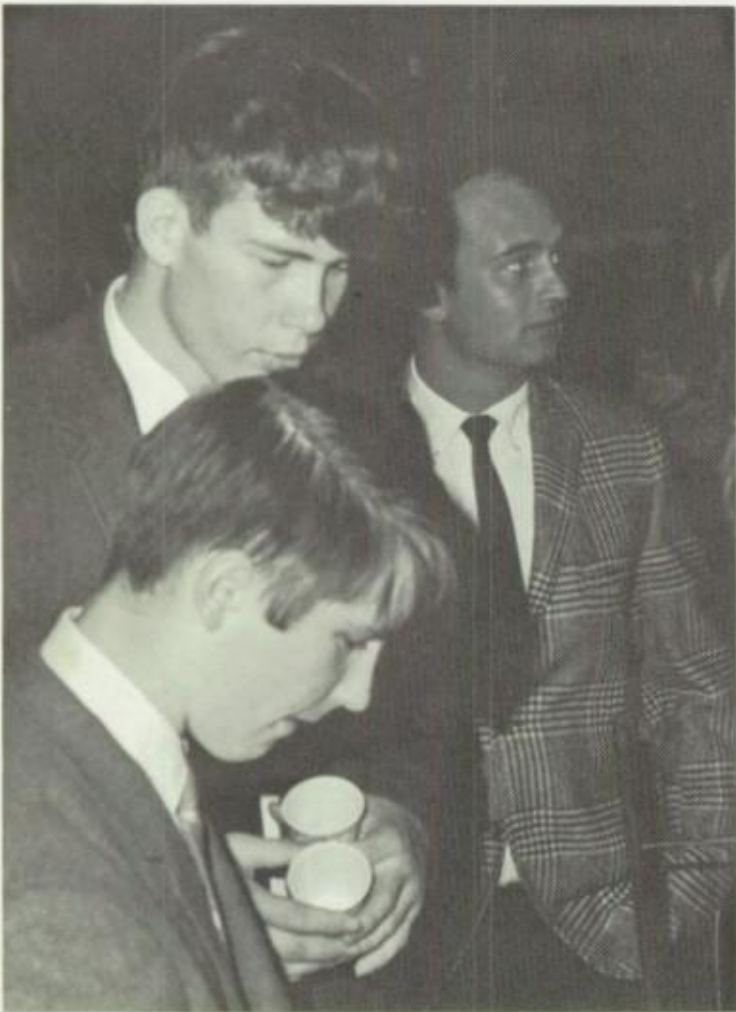

Beauty shown bright in the Queen's court this year. The afternoon's festivities were presided over by Queen Diane. The sign on the bus said "We Shall Overcome" and we did by obeying Queen Diane's order and bringing DHS a homecoming victory over the Warriors.

. . A Victory

Homecoming was celebrated with its traditional candlelight happiness and its regal beauty. Diane knelt to receive her crown and start her glorious year as DHS homecoming queen. It was a glorious day to be long remembered by all.

Yearbook Staff

The Raider staff worked long hours to produce our 1969 yearbook. It takes time and patience for all staff members especially when equipment fails and costs zoom upward. We worked doubly hard selling ads to balance our budget. It all seems worthwhile when the Raider arrives in the fall.

Top to Bottom: Joyce Anderson, Jane Sage, Pat Hilmer, Linda Dos, Connie Dos, Robert Stone, Laraine Magee, Sharon Haun, Diane Brown, Carmen Beard, Bob Staebell, Jackie Wissink, Tony Kajewski, Roger Schiller.

"Resolution Not Revolution—69"

The Iowa Future Teachers of America adopted the slogan "Resolution not Revolution—69." Our FTA chapter was very active this year. We have members of our local chapter in both N.E. district and state administration. As individual members, our FTA'ers worked with the elementary teachers, gave a tea for the teachers, as well as working on bulletin boards. This organization progressed and a bright future is foreseen.

Sharon Haun and Vicki Wissink were old district officers and Glenda Happel was the new president for the Northeast Iowa District FTA. The convention was held at La Porte High School in October, 1968.

Sharon Haun was elected the State IFTA treasurer at the 1969 state convention. She will hold the office for the 69-70 year.

The Dunkerton FFA Chapter attended the National FFA Convention in Kansas City, Missouri. We also visited the Truman Memorial Library.

The corn plot that the chapter has was entered in the "Funk-G Challenge". It yielded an official 146.1 bushels per acre, 12th in the state.

All in all, it has been a successful year for the chapter.

The Raiders obtained a tie for 2nd place in the conference, missing out on a co-championship by 3 points in a thriller at Turkey Valley, a Northeast Iowa game of the week.

Dunkerton was well represented on the conference teams picked by the coaches of the league. Doug Smith, Don Hauptly, Dean Schares and Russ Haun were on the 1st conference team. Roger Schiller was on the 2nd team. Mick Shatzer, Rich Thompson, and Nick Knebel received honorable mention.

Due to outstanding teamwork, sharp tackling and crisp blocking by linemen John Hoffman, Cal Smith, Andy Moeller, Roger Schiller, Russ Haun, Nick Knebel, Dean Schares and Mike Fuller, a few standouts emerged. Doug Smith, receiving all state honorable mention, placed 1st in the league with 1,934 yards in passing and rushing. Don Hauptly, placing 3rd in the league with 809 yards in rushing, scored 85 points in 5 games. Russ Haun and Nick Knebel respectively made 104 and 109 tackles.

The Raiders also recovered 20 fumbles made by their opponents.

DHS Sophomores stepped into the routine of students with ease. They faced the ups-and-downs of getting an education and climbed one step up on the road to graduation and the world of success. With only two fast-moving years left at DHS, they begin to take a more serious outlook on school and their teachers.

Juniors Involved

How many people do you know who can type with a Spirit Stick in their hands?

The junior class this year was a typical junior class. They were excited about the arrival of their class rings and the prom. There was work, too. This involved the concession stand, prom plans and, of course, schoolwork! It was a busy year, but the anticipation of the year to come made every moment worthwhile for the class of '70.
